Azusa, Cal.

Dear Kate Slanson:

It was good to see your familiar Fist again, after so long a "silence" - and to know you are better and up and about, even if humoring your heart more or less.

I have to do that myself - and there's only one thing that will stop either of us!

Thank you for your order and check for \$6 for the Song books - and for your promise to speak to people about them.

You will be glad to know that the first edition is all practically sold now - and second edition will be put on at once. I expect the books about the 20th and you shall have your copies at once.

Take care of yourself - and when you can, come to see me.

With love and all best wishes,

Always your Friend,
